Attention: Mr. Jim Reisinger  
Cost Plans and Local Apportionments

Dear Controller Yee:

Pursuant to Government Code section 30029.11, subdivision (b), the Department of Finance respectfully submits the attached (Attachment I) percentages for the allocation of \$7,843,728 in 2016-17 funds deposited in the Juvenile Reentry Grant (JRG) Special Account within the Juvenile Justice Subaccount in the Law Enforcement Services Account within the Local Revenue Fund 2011.

The JRG provides funding to address local program needs for persons discharged from the custody of the California Department of Corrections and Rehabilitation's Division of Juvenile Justice.

Pursuant to Welfare and Institutions Code (WIC) section 1983, the Director of Finance shall calculate the allocation for each county probation department, as specified. In accordance with WIC 1984, allocations from the JRG are based on the number of wards discharged to the jurisdiction of the court and actually supervised by local county probation with monitoring and services during the previous fiscal year. For each county, this funding shall be provided for 24 months. Additionally, JRG allocations are provided on an average daily population basis per discharged ward transferred to a local juvenile facility for violating a condition of court-ordered supervision, as specified. The Director of Finance is to report these findings to the State Controller, who then allocates funds from the JRG Special Account to each county in accordance with the report.

If you have any questions, or need additional information, please call Phaelen Parker, Finance Budget Analyst, at (916) 445-8913.

Sincerely,

AMY JARVIS  
Assistant Program Budget Manager
