For the Year Ended  
June 30, 2004

Steve Westly  
California State Controller

**STEVE WESTLY**  
*California State Controller*

May 2, 2005

To the Citizens, Governor, and Members  
of the Legislature of the State of California:

I am pleased to submit the State of California's *Budgetary/Legal Basis Annual Report Supplement* for the year ended June 30, 2004. This two-volume report contains detailed revenue and appropriation statements for the Governmental Cost Funds as a supplement to the information provided in the *Budgetary/Legal Basis Annual Report*. Responsibility for the accuracy of the data and the completeness and fairness of presentation, including disclosures, rests with the State. To the best of our knowledge and belief, the enclosed data are accurate in all material respects and are reported in accordance with state laws and state accounting procedures. Generally, the accounts of the Governmental Cost Funds are reported using the modified accrual basis of accounting.

Volume I contains revenue statements that are reported by fund and source, and by agency and source, as well as a statement of Receipts from the Federal Government for all funds and an Investments All Funds Statement. Volume II is comprised of a Statement of Appropriations, Expenditures, and Balances that accurately indicates each governmental cost fund appropriation, the amount expended, and the remaining balance of each appropriation, as required by Government Code Section 12461. Also included in Volume II is the Comparative Statement of Actual and Budgeted Expenditures.

I wish to express my appreciation to all state agencies for their efficiency and cooperation in submitting information for this report. I would also like to thank members of my staff for their dedication and professionalism in preparing this report.

Sincerely,

**STEVE WESTLY**  
California State Controller
