July 6, 2012

To the Citizens, Governor, and Members  
of the Legislature of the State of California:

I am pleased to submit the State of California's *Budgetary/Legal Basis Annual Report Supplement* for the year ended June 30, 2011. This two-volume report contains detailed revenue and appropriation statements for the Governmental Cost Funds as a supplement to the information provided in the *Budgetary/Legal Basis Annual Report*. Responsibility for the accuracy of the data and the completeness and fairness of the presentation, including disclosures, rests with the State. To the best of our knowledge and belief, the enclosed data are accurate in all material respects and are reported in accordance with state laws and state accounting procedures. Generally, the accounts of the Governmental Cost Funds are reported using the modified accrual basis of accounting.

Volume I contains revenue statements that are reported by fund and source, as well as by agency and source. Volume I also contains a statement of Receipts from the Federal Government and a statement of Investments. Volume II includes a Statement of Appropriations, Expenditures, and Balances that accurately indicates each governmental cost fund appropriation, the amount expended, and the remaining balance of each appropriation, as required by Government Code section 12461. Also included in Volume II is the Comparative Statement of Actual and Budgeted Expenditures.

I wish to express my appreciation to all state agencies for their efficiency and cooperation in submitting information for this report. I also would like to thank my staff for their dedication and professionalism in preparing this report.

Sincerely,

**JOHN CHIANG**  
**California State Controller**
