## May 2016

## STATEMENT of GENERAL FUND CASH RECEIPTS and DISBURSEMENTS

BETTY T. YEE
California State Controller

# BettyT. Yee California State Controller 

June 10, 2016

Enclosed is the Statement of General Fund Cash Receipts and Disbursements for the period July 1, 2015, through May 31, 2016. This statement reflects the State of California’s General Fund cash position, and compares actual receipts and disbursements for the 2015-16 fiscal year to cash flow estimates prepared by the Department of Finance (DOF) for the 2015-16 Budget Act. The statement is prepared in compliance with Provision 5 of Budget Act item 0840-001-0001, using records compiled by the State Controller. Prior-year actual amounts are also displayed for comparative purposes.

Attachment A compares actual receipts and disbursements for the 2015-16 fiscal year to cash flow estimates published in the 2016-17 May Revision Budget. These cash flow estimates are predicated on projections and assumptions made by DOF in preparation of the 2016-17 May Revision Budget.

Attachment B compares actual receipts and disbursements for the 2015-16 fiscal year to cash flow estimates prepared by DOF based upon the 2015-16 Budget Act.

These statements also are available on the State Controller's website at www.sco.ca.gov under the category Monthly Financial Reports.

Please direct any questions relating to this report to Casandra Moore-Hudnall, Division Chief of Accounting and Reporting, by telephone at (916) 445-5834.

Sincerely, Originally signed by:

BETTY T. YEE

## General Note:

This report is based upon funded cash. Funded cash is cash reported to and recorded in the records of the State Controller's Office. Amounts reported as funded cash may differ from amounts in other reports to the extent there are timing differences in the recording of in-transit items.

## Footnotes:

(a) A Statement of Estimated Cash Flow for the 2015-16 fiscal year was prepared by the Department of Finance for the 2016-17 May Revision. Any projections or estimates are set forth as such and not as representation of facts.
(b) Outstanding loan balance of $\$ 7.4$ billion is comprised of $\$ 7.4$ billion of internal borrowing. Current balance is comprised of $\$ 0.0$ billion carried forward from June 30, 2015, plus current year Net Increase/(Decrease) in Temporary Loans of $\$ 7.4$ billion.
(c) Negative amounts are the result of repayments received that are greater than disbursements made.
(d) Debt Service amounts are net of offsets such as federal subsidies and reimbursements from other sources. To the extent that these offsets do not occur when anticipated, there can be variances between actuals and estimates on a month-to-month basis.
(e) The 2016-17 Governor's Budget reclassified California State University Retiree Health Benefits expenses as a General Government disbursement to better align retiree health and dental care spending. Prior to February 2016, reported actuals and Budget Act estimates reflect these state operation expenses as a State Universities and Colleges expense.

## General Note:

This report is based upon funded cash. Funded cash is cash reported to and recorded in the records of the State Controller's Office. Amounts reported as funded cash may differ from amounts in other reports to the extent there are timing differences in the recording of in-transit items.

## Footnotes:

(a) A Statement of Estimated Cash Flow for the 2015-16 fiscal year was prepared by the Department of Finance for the 2015-16 Budget Act. Any projections or estimates are set forth as such and not as representation of facts.
(b) Outstanding loan balance of $\$ 7.4$ billion is comprised of $\$ 7.4$ billion of internal borrowing. Current balance is comprised of $\$ 0.0$ billion carried forward from June 30, 2015, plus current year Net Increase/(Decrease) in Temporary Loans of $\$ 7.4$ billion.
(c) Negative amounts are the result of repayments received that are greater than disbursements made.
(d) Debt Service amounts are net of offsets such as federal subsidies and reimbursements from other sources. To the extent that these offsets do not occur when anticipated, there can be variances between actuals and estimates on a month-to-month basis.
(e) The 2016-17 Governor's Budget reclassified California State University Retiree Health Benefits expenses as a General Government disbursement to better align retiree health and dental care spending. Prior to February 2016, reported actuals and Budget Act estimates reflect these state operation expenses as a State Universities and Colleges expense.
