2. Effectiveness

A. Effective Date

This Agreement shall not become effective until executed by the Company and an additional number of Participating States such that the total number of Signatory States equals two-thirds (2/3) of all Participating States. The Agreement shall initially be executed by the Company and Auditor, as the authorized third-party auditor for the Participating States, no later than November 7, 2014, followed by two-thirds (2/3) of all Participating States, which shall take place no later than January 23, 2015. The "Effective Date" of this Agreement shall be the date upon which Auditor provides notice to all Parties that this Agreement has been executed by two-thirds (2/3) of all Participating States, and the notice shall occur promptly following those executions. If this Agreement is not signed by the minimum required Participating States by January 23, 2015, then the Company shall have the right to opt out of the Agreement by providing written notice of its intent to exercise this right no later than February 6, 2015, in which case the Agreement shall not take effect. If the Company does not exercise its right to opt out of the Agreement pursuant to this Section, the Effective Date shall be February 6, 2015 as to those Participating States that have signed the Agreement by that date.

B. Signatory States

Participating States identified on **Schedule A** as of the date that the Company executes the Agreement may become Signatory States by signing the Agreement at any time prior to the

completion of processing of all UPRs pursuant to **Schedule D** of this Agreement (subject to the Company's right to opt out of the Agreement as set forth above). If any U.S. state, district or territory not identified on **Schedule A** enters into an agreement with Auditor for an unclaimed property audit of the Company prior to the completion of processing of all UPRs pursuant to **Schedule D** of this Agreement, then the Company shall offer to resolve the audit by entering into an agreement with that state, district or territory containing the same terms as this Agreement. If the Company enters into an agreement to resolve an unclaimed property audit conducted by Auditor on behalf of an additional state, district or territory, Auditor shall not submit to the Company any unclaimed property reports pursuant to the terms of that agreement until the last group of UPRs provided to the Company pursuant to **Schedule D** under this Agreement is reconciled by the Company and Auditor, unless the Company elects to receive those unclaimed property reports at an earlier time agreed to between the Company and Auditor.

3. Remittance of Proceeds Payable to Signatory States

Solely for purposes of concluding the Audit and solely with respect to property that is subject to this Agreement, the Signatory States and the Company agree to the following procedures.

A. Proceeds Escheatable By Reason of Death

(i) The following shall be the procedures for reporting and remitting Proceeds that are escheatable by reason of death.

(ii) Auditor will submit UPRs to the Company in accordance with **Schedule D** identifying life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts where a death has been identified by Auditor in accordance with **Schedule B**, and for which Auditor has determined that Proceeds may be payable.

All UPRs that Auditor provides to the Company with respect to life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts shall identify deaths of the Company's insureds, Annuity Contract owners or annuitants, and retained asset account owners that Auditor has identified in the course of matching the Company's records against the DMF. The UPRs will be delivered in the format described in **Schedule C**.

(iii) Pursuant to Section 3.E herein and **Schedule D, Section III**, the Company shall provide Auditor with exceptions to the UPR and state the grounds thereof. Where such grounds are based on documents or data that have not been provided to Auditor previously, the Company shall provide such data or documentation within a reasonable time period, not to exceed ten (10) days, following the Company's response to the UPR. The sole grounds for exceptions shall be one or more of the following: (a) the individual identified on the UPR is not dead; (b) the individual is not an insured, eligible to be an insured under a group life insurance certificate, an annuitant, an Annuity Contract owner, or a retained asset account owner; (c) the life insurance policy (including any group life insurance certificate issued thereunder), Annuity Contract, or retained asset account was not in force upon death; (d) there was no benefit payable upon death (e.g., the life insurance policy, group insurance certificate, Annuity Contract, or retained asset account had no value at death or was not payable at death; the death indicated was the first of two insureds to die under a second-to-die policy); (e) a benefit is not payable due to the application of a relevant contestability period or suicide exclusion period; (f) the Dormancy Period has not expired; (g) all benefits payable upon death have in fact been remitted to a Beneficiary or escheated as unclaimed property; (h) if an Annuity Contract, the Beneficiary has re-registered or recorded the contract with the Company as a beneficial owner and any contractually permitted five-year period under Section 72(s)(1)(B) of the Internal Revenue Code (including the special rule for a

surviving spouse), if applicable, or any contractually permitted period under the five-year rule of Section 401(a)(9)(B) of the Internal Revenue Code (including the special rule for a surviving spouse), if applicable, has not expired, or the benefits are being paid over the life of the beneficiary under Section 72(s)(2) or 401(a)(9)(B) of the Internal Revenue Code; (i) a claim for the value of any benefits payable upon death already is in the process of being paid by the Company to a Beneficiary and the benefits will be paid within the time allotted for payment following confirmed contact with a Beneficiary as set forth in **Schedule D**; (j) for claims received under non-Record keeper group life insurance contracts (including group life insurance certificates issued thereunder), Annuity Contracts, mortgage life insurance policies, or credit life insurance policies, and for group life insurance certificates where a disability or other waiver of premium or accelerated death benefits has been granted, the Company lacks and/or is unable to obtain sufficient information necessary to determine that the Proceeds are due or is unable to determine the amount of the Proceeds; (k) all benefits payable upon death are remittable to a non-Signatory State or are the subject of pending litigation; (l) group marketed corporate, bank, and institutional owned policies where the beneficiary is the policy owner, the Company is in contact with the policy owner, and there are no other individual beneficiaries; (m) private placement variable universal life products and private placement variable annuities where the Company is in contact with the policy owner or contract owner; and/or (n) the life insurance policy (including any group life insurance certificate issued thereunder), Annuity Contract or retained asset account is not within the Scope of the Audit. The Company shall further provide notice to Auditor if it believes the date of death is different than the date of death provided by Auditor if the Company contends such difference affects the Proceeds payable under the life insurance policy (including any group life insurance certificate issued thereunder), Annuity Contract, or retained asset account. The list

of exceptions shall be provided by the Company no later than the times specified in **Schedule D, Section III.**

(iv) For purposes of this Section only, the Dormancy Period is deemed to commence upon the date of death as reflected in the DMF and expires after the requisite number of years has passed under the UP Laws of the applicable Signatory State. The running of the Dormancy Period shall not be tolled for any reason other than: (a) pending litigation to resolve claims to the Proceeds brought by a person or entity claiming the Proceeds; (b) pending litigation instituted by the Company to determine whether a benefit is due or to otherwise determine the rightful owner of the Proceeds including as the stakeholder in an interpleader action intended to resolve a dispute where more than one claimant has made claim to the Proceeds, or as the moving party in a declaratory judgment action; (c) pending litigation to resolve whether there was fraud or misrepresentation or lack of insurable interest with regard to policy or contract issuance; (d) the Proceeds are payable to an individual who has not reached the age of majority under the applicable state law, provided that the Company has had documented contact with the minor or his or her representative; or (e) otherwise as expressly allowed by the Signatory States. In the event the Dormancy Period has been tolled, the Dormancy Period shall begin to run upon the termination of the litigation or as expressly allowed by the Signatory States.

(v) If the Company locates the Beneficiary or the Beneficiary's legal or properly designated representative before the Proceeds are required to be reported and remitted to a Signatory State in accordance with **Schedule D**, the Company will make a written notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or email address of the contacted person.

(vi) Proceeds shall be determined without deduction of any fees other than those permitted by the Annuity Contract or life insurance policy. Further, the Company agrees that it or any agent acting on its behalf will not charge Beneficiaries costs associated with this Agreement.

(a) Proceeds under life insurance policies shall be determined in accordance with the policy terms as of the date of death, exclusive of interest (other than interest payable under Section 3A(vii) below), and shall include a reversal of any amounts deducted from the policy after death, including, but not limited to, amounts deducted for premium payments, loans, and/or service charges, and of any amounts added to the policy for interest or dividends. Notwithstanding the above, charges incurred before the insured's date of death but posted after the date of death shall not be reversed. For variable life insurance, the Company shall determine Proceeds based on the value of assets maintained in the relevant separate account(s) at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to a Signatory State.

(b) Proceeds under Annuity Contracts with a death benefit shall be determined according to the contract terms, exclusive of interest on a death benefit (other than interest, if any, payable under Section 3A(vii) below), except that: (1) with respect to those Proceeds that remain in variable annuities, the Company shall determine Proceeds based on the value of assets maintained in the relevant separate accounts at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to a Signatory State; and (2) with respect to those Proceeds that remain in fixed annuities, the Company shall determine Proceeds based on the values of the account within ten (10) business days prior to the date the Proceeds are remitted to a Signatory State.

(c) Proceeds under retained asset accounts shall be the value of the account as of the date the Proceeds are remitted to a Signatory State.

(vii) The amount payable to a Signatory State shall include the Proceeds, plus interest at a rate of three (3) percent compounded annually from the date used to establish the death benefit values in accordance with Section 3A(vi)(a) and (b) above, or from January 1, 1995, whichever is later. However, interest shall not be payable with respect to the Proceeds of retained asset accounts. With respect to Annuity Contracts, no interest will be paid except where the death benefit values were placed in a suspense account or money market account earning less than three (3) percent interest for over ninety (90) days, then interest representing the difference between three (3) percent and the interest received shall be payable on the Annuity Contract Proceeds compounded annually from the date the death benefit account values are established according to the contract terms or from January 1, 1995, whichever is later. If any Proceeds are not timely remitted as required under this Agreement, each Signatory State may seek to enforce the terms of this Agreement or initiate an action to vindicate any rights it may possess under that Signatory State's UP Laws for failure to report, remit, or deliver unclaimed property on a timely basis. In the event an action is brought under a Signatory State's UP Laws, nothing contained in this Agreement shall serve as an admission by either Party in such action.

B. Proceeds Payable Upon Maturity Age or Maturity Date

(i) The following shall be the procedures for reporting and remitting Proceeds that are payable to a Signatory State upon reaching Maturity Age or Maturity Date.

(ii) Auditor will submit UPRs to the Company in accordance with **Schedule D** identifying life insurance policies (including any group life insurance certificates issued thereunder) and Annuity Contracts that Auditor has determined have reached Maturity Age or

Maturity Date, and for which the period of time elapsed since the Maturity Age or Maturity Date is beyond the Dormancy Period. The UPRs will be delivered in the format described in **Schedule C**.

(iii) Pursuant to Section 3.E herein and **Schedule D, Section III**, the Company shall provide Auditor with exceptions to the UPR and state the grounds thereof. Where such grounds are based on documents or data that have not been provided to Auditor previously, the Company shall provide such data or documentation within a reasonable time period following the Company's response to the UPR, not to exceed ten (10) days. The sole grounds for exceptions shall be one or more of the following: (a) the life insurance policy (including any group insurance certificate issued thereunder) or Annuity Contract had not reached the Maturity Age or Maturity Date; (b) the policy, the group life insurance certificate, or Annuity Contract was not in force upon the Maturity Age or Maturity Date; (c) there was no benefit payable upon the Maturity Age or Maturity Date (e.g., the policy, group life insurance certificate, or Annuity Contract had no value at the Maturity Age or Maturity Date; the policy, group life insurance certificate, or Annuity Contract had been surrendered); (d) the Dormancy Period has not expired; (e) the value of any Proceeds payable upon the Maturity Age or Maturity Date has in fact been remitted to the Beneficiary, or the Proceeds were already escheated as unclaimed property; (f) the value of any Proceeds payable upon the Maturity Age or Maturity Date is remittable to a non-Signatory State or is the subject of pending litigation; (g) the terms of the Annuity Contract provide for an immediate forced annuitization at the Maturity Date and the Annuity Contract has been annuitized or is in the process of being annuitized as a result of confirmed contact with the Beneficiary per the terms of the contract; (h) the value of any Proceeds payable upon the Maturity Age or Maturity Date is in the process of being paid by the Company as a result of confirmed contact with the Beneficiary per

the terms of the contract; and/or (i) the life insurance policy (including any group life insurance certificate issued thereunder) or Annuity Contract is not within the Scope of the Audit. The Company shall further provide notice to Auditor if it has determined that the Maturity Age or Maturity Date is different than the Maturity Age or Maturity Date provided by Auditor if the Company contends such difference affects Proceeds under the policy or Annuity Contract. The list of exceptions shall be provided by the Company no later than the time specified in **Schedule D, Section III.**

(iv) For purposes of this Section, the Dormancy Period commences upon the Maturity Age or Maturity Date of the policy, group life insurance certificate, or Annuity Contract, or any revised Maturity Age, Maturity Date or other deferral expiration, as confirmed in writing to the Company by such owner, and is restarted upon documented contact with the owner of the relevant policy, group life insurance certificate or Annuity Contract. For purposes of this Section, “documented contact” includes: (a) administrative actions such as a request by the policy owner, Beneficiary, Annuity Contract owner, annuitant, or the legal or properly designated representative thereof, to maintain the policy or Annuity Contract, defer annuitization, surrender or accept other payment to be received from the policy, group life insurance certificate, or Annuity Contract; change the designation of a Beneficiary, Annuity Contract owner or annuitant; or change an address or contact information; or (b) financial transactions such as a non-automated withdrawal (including, without limitation, election of a guaranteed minimum withdrawal or accumulation benefit(s)); refusing rider fee change increases; commencing or altering a required minimum distribution pursuant to the Internal Revenue Code and/or exercising any premature withdrawal privileges; additions of premium; a non-automated request to transfer funds, or reallocate the value

of a policy or Annuity Contract among variable investment options; or a non-automated request to renew or change a fixed interest guarantee period under the policy or Annuity Contract.

(v) The running of the Dormancy Period shall not be tolled for any reason other than: (a) pending litigation to resolve claims to the Proceeds brought by a person or entity claiming the Proceeds; (b) pending litigation instituted by the Company to determine whether a benefit is due or to otherwise determine the rightful owner of the Proceeds including as the stakeholder in an interpleader action intended to resolve a dispute where more than one claimant has made claim to the Proceeds or as the moving party in a declaratory judgment action; (c) pending litigation to resolve whether there was fraud or misrepresentation or lack of insurable interest with regard to policy or contract issuance; or (d) as otherwise expressly allowed by the Signatory States. In the event the Dormancy Period has been tolled due to institution of litigation, the Dormancy Period shall begin to run upon the termination of the litigation or as expressly allowed by the Signatory States.

(vi) If the Company locates the owner of the relevant policy, group life insurance certificate or Annuity Contract, or such person's legal or properly designated representative, before the Proceeds are required to be reported and remitted to a Signatory State in accordance with **Schedule D**, the Company will make a written notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or email address of the contacted person.

(vii) Proceeds shall be determined without deduction of any fees other than those permitted by the policy or contract. The Company agrees that it or any agent acting on its behalf will not charge Beneficiaries costs associated with this Agreement.

(viii) Proceeds remitted by the Company to a Signatory State under an Annuity Contract shall include the current account value as follows: (a) for a variable Annuity Contract, based on the value of assets held in the underlying separate account at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to a Signatory State, and (b) for a fixed Annuity Contract, based on the account value within ten (10) business days of the date the Proceeds are remitted to a Signatory State and inclusive of any interest credited by the Company to the account value. Upon remittance, the Company shall have no further obligation to escheat Proceeds under the Annuity Contract.

(ix) All Proceeds of a life insurance policy or group life insurance certificate upon reaching Maturity Age shall be determined by the Company in accordance with the terms of the policy, or certificate, as appropriate, and shall include a reversal of any amounts deducted from the policy after the Maturity Age, including, but not limited to, amounts deducted for premium payments, loans, and/or service charges, and of any amounts added to the policy for interest or dividends. Notwithstanding the above, charges incurred before the Maturity Age but posted after the Maturity Age shall not be reversed. For variable life insurance, the Company shall determine Proceeds based on the value of assets maintained in the relevant separate accounts at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to a Signatory State. Interest shall be added to Proceeds due to the Signatory States from the later of the Maturity Age or January 1, 1995, at the interest rate of three (3) percent compounded annually. If any Proceeds are not timely remitted as required under this Agreement, each Signatory State may seek to enforce the terms of this Agreement or initiate an action to vindicate any rights it may possess under that Signatory State's UP Laws for failure to report, remit, or deliver unclaimed property on

a timely basis. In the event an action is brought under a Signatory State's UP Laws, nothing contained in this Agreement shall serve as an admission by either party in any such action.

C. Proceeds in Retained Asset Accounts

(i) For all situations not otherwise governed by the provisions set forth in Section 3.A, the following shall be the procedures for reporting and remitting Proceeds payable from retained asset accounts to a Signatory State.

(ii) Auditor will submit UPRs to the Company in accordance with **Schedule D** identifying dormant retained asset accounts that Auditor has determined may be payable. The UPRs will be delivered in the format described in **Schedule C**.

(iii) Pursuant to Section 3.E herein and **Schedule D, Section III**, the Company shall provide Auditor with exceptions to the UPR and state the grounds thereof. Where such grounds are based on documents or data that have not been provided to Auditor previously, the Company shall provide such data or documentation within a reasonable time period following the Company's response to the UPR, not to exceed ten (10) days. The sole grounds for exceptions shall be one or more of the following: (a) the owner of retained asset account identified in the UPR has taken affirmative action in respect to the account that is inconsistent with abandonment (automatic financial or administrative transactions, other than automated deposits or withdrawals prearranged by the account owner, and/or the non-receipt by the Company of returned mail shall not constitute "affirmative action" for this purpose, except to the extent that the Signatory State's UP Laws specifically recognize that such activity is sufficient to prevent property from being presumed abandoned); (b) the Dormancy Period has not expired; (c) the value of the retained asset account has in fact been remitted to the owner or escheated as unclaimed property; (d) the funds in the retained asset account are remittable to a non-Signatory State or are the subject of pending

litigation; and/or (e) the retained asset account is not within the Scope of the Audit. The list of exceptions shall be provided by the Company no later than the time specified in **Schedule D, Section III**. For purposes of this Section, the Dormancy Period shall not be deemed to have expired with respect to Proceeds of a retained asset account if the Company has documented contact with the owner within the Dormancy Period.

(iv) If the Company locates the owner before the account is required to be reported and remitted to a Signatory State in accordance with **Schedule D**, the Company will make a notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or e-mail address of the contacted person. The Company's contact with the account owner in the manner described above will result in the account not being subject to reporting and remittance in accordance with **Schedule D**.

(v) For purposes of this Section, the Dormancy Period commences upon the date of the most recent non-automatic financial or administrative transaction or other contact with the owner that is documented in the books and records of the Company.

(vi) Proceeds under retained asset accounts shall be the value of the account as of the date the Proceeds are remitted to a Signatory State. Proceeds shall be determined without deduction of any fees other than those permitted by the contract. The Company agrees that it will not charge Beneficiaries costs associated with this Agreement. If any Proceeds are not timely remitted as required under this Section of the Agreement, each Signatory State may seek to enforce the terms of this Agreement or initiate an action to vindicate any rights it may possess under that Signatory State's UP Laws for failure to report, remit, or deliver unclaimed property on a timely basis. In the event an action is brought under a Signatory State's UP Laws, nothing contained in this Agreement shall serve as an admission by either Party in any such action.

D. Proceeds Payable for Missing Data Life Policies (Only if Company has Missing Data Life Policies)

(i) The following shall be the procedures for reporting and remitting Proceeds that are payable under Missing Data Life Policies.

(ii) The Company and Auditor shall discuss in good faith the most efficient and appropriate method for addressing Missing Data Life Policies. If within three (3) months after the Effective Date, the Company and Auditor have agreed upon such a method, that method shall be used to process such policies under the Agreement. If within three (3) months after the Effective Date, the Company and Auditor have not agreed upon such a method, then the Company agrees that Proceeds of all Missing Data Life Policies shall be escheated to the Signatory States in accordance with this Section of the Agreement and **Schedule D**.

(iii) The Company will submit Missing Data Life Policy UPRs to § 9.11 in accordance with **Schedule D**, identifying Missing Data Life Policies that may be subject to remittance to a Signatory State. The Missing Data Life Policy UPRs will be delivered in the format described in **Schedule C**. § 9.11 shall perform a review of the Missing Data Life Policy UPRs and shall provide the Company with any modifications and/or amendments to the Missing Data Life Policy UPRs in accordance with **Schedule D, Section I**.

(iv) All Proceeds of Missing Data Life Policies shall be valued as if the insured had died on the Effective Date and shall include the full face value, dividends, additional paid up insurance and any other amounts added to the policies as of the date of remittance, but shall not be subject to any three percent (3%) interest called for under other Sections of this Agreement, provided that the Company will remain liable for any additional amount that may be due to a *bona fide* subsequent claimant in excess of the amount actually remitted to a Signatory State.

(v) On no less than an annual basis, all life insurance policies for which the Company has neither provided Auditor with a Social Security number nor a complete, non-calculated date of birth that otherwise would meet the definition of Missing Data Life Policies except that the insured under the policy has not reach the attained age of eighty (80) years shall be escheated by the Company under the terms of this Agreement (following completion of efforts to contact the policy owner as described in **Schedule D, Section I**) in the year that the insured reaches such attained age.

E. Resolving Disputes Regarding Unclaimed Property Reports and Missing Data Life Policy UPRs

(i) The following shall be the procedures for resolving disputes regarding UPRs and Missing Data Life Policy UPRs. — — — — —

(ii) If Auditor disputes an exception taken by the Company to a UPR, Auditor shall provide notice to the Company within the time specified in **Schedule D, Section III**, and the notice shall be accompanied by the Company's list of exceptions. If the Company disputes any modifications or amendments made by Auditor to a Missing Data Life Policy UPR, the Company shall provide notice to Auditor within the time specified in **Schedule D, Section I**, and the notice shall be accompanied by the list of modifications or amendments subject to dispute.

(iii) Following receipt of notice of a dispute, Auditor and the Company shall meet to resolve the dispute and conclude the dispute resolution process within the time specified in **Schedule D, Sections I and III**.

(iv) If there is no agreement after Auditor and the Company meet, Auditor shall provide notice to the appropriate Signatory State of the failure to reach agreement within the time specified in **Schedule D, Sections I and III**. The dispute shall then be referred for a determination of the Signatory State pursuant to that State's UP Laws.

(v) Auditor shall provide notice to the appropriate Signatory State of all exceptions the Company has taken to a UPR and as to which Auditor has agreed that no Proceeds are payable. Such determinations shall be final and binding as to the Parties.

F. Priority and Disputes

(i) The Signatory States agree that in determining the appropriate state to report and remit Proceeds under this Agreement, the following rules shall apply:

(a) Proceeds shall be remitted to the state of the last known address of each single Beneficiary as shown in the Company's books and records.

(b) If there is more than one known Beneficiary, Proceeds shall be reported and remitted to the states of the last known addresses of the Beneficiaries, based upon the amounts payable to each under the applicable life insurance policy, group life insurance certificate, or Annuity Contract for those Beneficiaries for whom a last known address is shown in the books and records of the Company. For those Beneficiaries for whom an address is not shown in the Company's books and records, subsections F.(i)(c) and F.(i)(d) shall apply.

(c) With respect to property related to life insurance policies or Annuity Contracts due to a Beneficiary, if there is no last known address for any Beneficiary in the Company's books and records, then Proceeds shall be reported and remitted to the state of the last known address of the insured or annuitant.

(d) If the Company's books and records do not contain a last known address for the Beneficiary and do not contain a last known address for the insured, annuitant, or retained asset account owner, or if the last known addresses of the above are all outside the United States, then the Proceeds shall be reported and remitted to the state of incorporation

of the relevant Company entity as of the time the state of incorporation's Dormancy Period expired under the terms of this Agreement, or, for Missing Data Life Policies, the state of incorporation of the relevant Company entity as of the time the Proceeds become escheatable under this Agreement.

(ii) If Proceeds are reported and remitted to a Signatory State in accordance with the priority rules in this Section, then the Company shall be deemed to have made its remittance in good faith in accordance with the UP Laws of all Signatory States.

(iii) The existence of an unresolved dispute as to reporting and remitting Proceeds shall not affect the duty to report and remit Proceeds as to which no dispute exists.

G. Reporting and Remitting Proceeds

(i) The Company shall report and remit Proceeds as required by **Schedule D**.

(ii) The Company shall provide Auditor with reasonable access to monitor the UPR and Missing Data Life Policy UPR review and the reporting and remittance processes being performed in accordance with **Schedule D**.

(iii) Upon the Company making all reports and remittances required by this Agreement at the conclusion of the Duration of the Audit, the Signatory States shall relieve the Company from any further duties under their UP Laws for life insurance policies (including any group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts within the Scope of the Audit and the release of the Company from all claims arising under the Signatory States' UP Laws as provided in Section 4 hereof shall be effective. Notwithstanding any other provision of this Agreement, such release is made only to the extent of the Signatory States' UP Laws and is not made pursuant to the authority of insurance regulators. In no event shall such release of the Company apply to policies, contracts, account or Proceeds as to which the Company

and a Signatory State have an unresolved dispute under the terms of this Agreement. Notwithstanding the foregoing, with respect to any Proceeds escheated by the Company, the Company shall be released from any further obligation with respect to those Proceeds.

(iv) Nothing contained in this Agreement shall preclude the Company from exercising any right it may have to seek indemnification, refunds or corrections of errors to the extent authorized by, and in accordance with, the UP Laws of the Signatory State to which the Company made a remittance or report in error.

(v) Nothing in this Agreement shall limit a Signatory State or a Participating State from auditing or making claims with respect to Proceeds, policies, contracts, or accounts that are not within the Scope of the Audit.

4. General Provisions

(i) This Agreement sets forth a process for identifying certain amounts to be escheated under its terms. Notwithstanding any of the terms, phrasing, or provisions used herein, nothing in this Agreement constitutes an admission that any amount or Proceeds described herein are past due, were owed, or were improperly withheld or retained by the Company, or an admission by the Company that the Company had any legal or contractual obligation to conduct DMF searches in order to determine whether an insured, Annuity owner or annuitant or retained asset account owner was deceased.

(ii) Upon the execution of the Agreement by the Company and Auditor, to the extent that it has not already done so, and provided it is within the Scope of the Audit or reasonably requested by Auditor to identify Proceeds that are within the Scope of the Audit, the Company shall provide to Auditor: (a) the underlying detailed information (defined for the purposes of this paragraph as the policy or contract number, full name, date of birth, Social Security number, and

address, where available) regarding all potential matches the Company has identified as a result of comparisons it has performed of its life insurance policies, Annuity Contracts, or retained asset accounts against the DMF subsequent to the initiation of the Audit; (b) a list of all matches the Company has determined to be valid; (c) a list of all matches the Company has determined to be invalid and/or for which no Proceeds are payable, as well as the specific grounds for such determinations (e.g., the Proceeds were previously paid); (d) a list of all policies or contracts where a match has been made and the Company has determined that Proceeds under the policies or contracts are subject to escheatment; and (e) a list of all policies or contracts where a match has been made and the Company has paid the Proceeds under the policies, as well as information identifying all Beneficiaries of these policies or contracts that have been paid. Thereafter, by the 25th day of every month, the Company will provide Auditor with a list of any additional unclaimed life insurance policies, Annuity Contracts, or retained asset accounts within the Scope of the Audit the Company has identified or become aware of that may be unpaid, as well as a list of any such policies, contracts or accounts for which the Company has either attempted to contact a customer to confirm a death or obtain additional identity information or initiated due diligence as a result of a DMF match or potential match. The Company agrees that all life insurance policies, Annuity Contracts or retained asset accounts on any such lists that meet the conditions for escheatment under the terms of this Agreement shall be processed in accordance with the terms of this Agreement.

(iii) For the Duration of the Audit, the Company shall continue to provide Auditor with the data reasonably requested by Auditor to identify Proceeds that are within the Scope of the Audit.

(iv) For the Duration of the Audit, the Company shall provide Auditor with reasonable access to the Company's data and systems through a Company employee to respond to queries made by Auditor's personnel to test the completeness and accuracy of all records provided by the Company.

(v) The Company agrees to provide all requested insured, annuitant, Annuity Contract owner, or retained asset account owner names parsed out as follows to the extent such data elements are captured in the Company's systems: Prefix (Mr./Dr./ Maj./etc.); First; Middle (full name or initial if full not in Company records); Last; and Suffix (Esq./Jr./III/etc.).

(vi) Upon request, the Company agrees to provide reasonable assistance to a Signatory State to aid the Signatory State in determining the validity of claims made upon the Proceeds remitted.

(vii) Each Signatory State agrees to the following:

(a) To release, discharge, and indemnify the Company, and/or hold the Company harmless to the extent authorized by, and in accordance with, the UP Laws of the Signatory State, for "good faith" payment or delivery and reporting of unclaimed property, which are incorporated herein by reference. Nothing in this Agreement shall limit officials within a state agency other than those listed in **Schedule A** of this Agreement from conducting any examination or from making any claim or enforcing any laws of a Signatory State.

(b) To release the Company from all claims, demands, interest (excepting such interest available under the terms of this Agreement), penalties, actions or causes of action that the Signatory State may have regarding or relating to any unclaimed property under a life insurance policy (including, without limitation, group life insurance contracts and

certificates issued thereunder), Annuity Contract or retained asset account that was remitted or remittable prior to calendar years through and including report year 2012, provided, however, that nothing in this sentence shall apply to any unclaimed property with respect to any non-Record keeper group life insurance contracts or group annuity contracts (including group life insurance or annuity certificates issued thereunder) where a claim is received after calendar year 2012, regardless of the date of the death upon which the claim is based.

(c) That the Company's payment and delivery to a Signatory State of the property identified and reportable pursuant to paragraphs 3.A-3.D of this Agreement shall be in full and final satisfaction of any and all claims that the Signatory State has or may have under that Signatory State's UP Laws with respect to unclaimed property under a life insurance policy (including, without limitation, group life insurance contracts and certificates issued thereunder), Annuity Contract or retained asset account that was remitted or remittable prior to calendar years through and including report year 2012, provided, however, that nothing in this sentence shall apply to any unclaimed property with respect to any non-Record keeper group life insurance contracts or group annuity contracts (including group life and group annuity insurance certificates issued thereunder) where a claim is received after calendar year 2012, regardless of the date of the death upon which the claim is based. The Signatory States further waive any right to audit or examine the books and records of the Company with respect to unclaimed property for which the Company has been released in the previous sentence.

(d) That the disclosures and assistance made by the Company in connection with this Audit satisfy the reporting requirements of its UP Laws for the applicable

examination period regarding unclaimed property types identified and reportable pursuant to paragraphs 3.A-3.D, and the Signatory State hereby releases the Company from any additional reporting requirements under its UP Laws for or related to the Company's reporting and remittance of unclaimed property types identified and reportable prior to calendar years through and including report year 2012 pursuant to paragraphs 3.A-3.D.

(e) To maintain the confidentiality of information voluntarily disclosed concerning identifying information and the business processes and trade secrets of the Company to the extent permissible under each Signatory State's laws, and shall only disclose such information to the extent required under each Signatory State's laws.

(f) That Auditor shall return or destroy confidential information within thirty (30) days after the Duration of the Audit, excepting work papers and other materials required to be retained by Auditor pursuant to contracts with any Signatory State and those materials necessary to resolve any outstanding disputes pursuant to Section 3.E herein, in accordance with the terms of the Non-Disclosure Agreement dated August 13, 2010 which is attached hereto as **Schedule E**.

(viii) This Agreement and its attachments constitute the entire agreement of the Parties with respect to the matters referenced herein and may not be amended or modified, nor may any of its terms be waived, except by an amendment or other written document signed by the Parties hereto; provided, however that the Company and a Signatory State may mutually agree to a reasonable extension of time in order to carry out the provisions of this Agreement with respect to that Signatory State.

(ix) In the event that any portion of this Agreement is held invalid under a Signatory State's laws, such invalid portion shall be deemed to be severed only with respect to that Signatory

State and all remaining provisions of this Agreement shall be given full force and effect and shall not in any way be affected thereby. In addition, in the event that any state agency other than those listed in **Schedule A** of this Agreement objects in writing that one or more terms of this Agreement violate a provision of a state law within that state agency's authority, the Company's obligations under this Agreement with respect to the provision(s) objected to shall cease with regard to that Signatory State until such time as the objection has been resolved or withdrawn. In the event that such an objection is filed, the Signatory State shall have the right to opt out of this Agreement at any time prior to the objection being resolved or withdrawn, and take any action it deems appropriate under that Signatory State's UP Laws regarding the reporting, remittance and delivery of unclaimed property by the Company.

(x) This Agreement represents a compromise of disputed matters between the Parties. Neither this Agreement, nor any act performed or document executed in furtherance of this Agreement, nor any discussions or communications leading to this Agreement, is now or may be deemed in the future to be an admission of or evidence of liability or wrongdoing by the Company or any of its current or former affiliates, subsidiaries, officers, directors, employees, agents, or representatives with respect to the subject matter of this Agreement.

(xi) The Company shall be excused from its performance under this Agreement, shall not be deemed to have breached this Agreement, and shall not be liable in damages or otherwise, in the event of any delay or default in performing the Agreement's terms resulting from a circumstance not within the reasonable control of the Company including, but not limited to, damage to or destruction of Company's property, systems or facilities. Notwithstanding such circumstances, the Company shall exercise reasonable diligence to perform its obligations under this Agreement and shall take reasonable precautions to avoid the effects of such circumstances to

the extent that they may cause delay or default with respect to the Company's ability to perform its obligations under this Agreement.

(xii) This Agreement shall not confer any rights upon any person or entities other than the Parties and is not intended to be used for any other purpose. Nothing in this Agreement shall be construed to provide for a private right of action to any person or entity. Nor shall the Agreement be deemed to create any intended or incidental third party beneficiaries, and the matters addressed herein shall remain within the sole and exclusive jurisdiction of the Signatory States.

(xiii) The Parties may mutually agree to any reasonable extensions of time that might become necessary to carry out the provisions of this Agreement.

(xiv) Each Signatory State agrees that the individual signing this Agreement on its behalf _____ has authority to do so.

(xv) This Agreement may be executed in counterparts, but shall not be effective except as provided for pursuant to Section 2 above. Signatory States will execute this Agreement by signing a signature page in the form set out as **Schedule F** hereto.

SCHEDULE B

RULES FOR IDENTIFYING DEATH MATCHES

In comparing Company's records of its insureds, Annuity Contract owners or annuitants, as applicable to the payment of the death benefit, and retained asset account owners against the DMF, the governing principle to be followed shall be establishing whether or not a unique biological individual identified on Company's data is the same as a unique biological individual identified on the DMF in a case where a benefit is due and payable. In comparing Company's records of its insureds, Annuity Contract owners or annuitants, and retained asset account owners against the DMF, Auditor shall divide the matches it identifies into four categories in accordance with the rules set forth below.

Category 1: "Exact" Match

A Category 1 Match occurs in any of the following circumstances:

1. There is a four-way exact match of the First Name, Last Name, Date of Birth, and Social Security Number contained in the data produced by Company against data contained in the DMF.
2. The First Name matches in accordance with the Fuzzy Match Criteria listed below and the Last Name, Date of Birth, and Social Security Number match exactly.

Category 2: SSN Match

A Category 2 Match occurs when:

1. There is a four-way match of the First Name, Last Name, Date of Birth, and Social Security Number such that the Social Security Number contained in the data produced by Company matches exactly to the Social Security Number contained in the DMF, and the First Name, Last Name, and Date of Birth match either exactly or in accordance with the Fuzzy Match Criteria listed below.

Category 3: Non-SSN Match

A Category 3 Match occurs in any of the following circumstances:

1. The Social Security Number contained in the data produced by Company matches in accordance with the Fuzzy Match Criteria listed below to the Social Security Number contained in the DMF, and the First and Last Names, and Date of Birth match either exactly or in accordance with the Fuzzy Match Criteria listed below.

2. The records produced by Company do not include a Social Security Number or where the Social Security Number is incomplete (less than 7 digits) or otherwise invalid (e.g., 000000000, 999999999, 000006789), and there is a First Name, Last Name, and Date of Birth combination in the data produced by Company that is a match against the data contained in the DMF where the First and Last Names match either exactly or in accordance with the Fuzzy Match Criteria listed below and the Date of Birth matches exactly, subject to paragraph 3 immediately below.
3. If there is more than one potentially matched individual returned as a result of the process described in paragraph 2 above, then Auditor shall run the Social Security Numbers obtained from the DMF for the potential matched individuals against Accurant for Insurance or an equivalent database. If a search of those databases shows that the Social Security Number is listed at the address provided by Company for the insured, then a Category 3 Match will be considered to have been made.

Category 4: Applicable Only if Company has Policies which are Missing Certain Data, as Described Below

A Category 4 Match occurs in any of the following circumstances:

1. For all life insurance policies (other than Missing Data Life Policies) for which the Company provided neither a complete Social Security Number nor a complete, non-calculated Date of Birth:
 - a. If (i) the DMF First and Last Names match the Company supplied records either exactly or according to the Fuzzy Match Criteria listed below for at least one person, (ii) such person was born within the 2 year birth range (from 1 year before to 1 year after) for the insured as computed from the year of issue and age at issue data supplied by the Company, and (iii) such person is at least 60 years of age, the Company shall either accept the match as valid or supply Auditor with a complete Date of Birth and/or Social Security Number for the insured from the physical policy file. If the Company supplies Auditor with a complete Date of Birth and/or Social Security Number from the policy file, the standard match rules shall then be applied to the new identity information.
 - b. If the policy file contains neither a complete Date of Birth nor a Social Security Number for the insured, then a match will be considered made if (i) there is one, and only one, person, listed in the DMF who was born within the 2 year birth range (from 1 year before to 1 year after) for the insured as computed from the year of issue and age at issue data supplied by the Company, or (ii) there are more than one such matched persons as described in clause (i) but only one such matched person lived in the same state (listed in the DMF) as the insured, which was recorded on the Company's administrative systems.

Fuzzy Match Criteria:

1. A "First Name" fuzzy match includes one or more of the following:
 - a. First Name nicknames: "JIM" and "JAMES." Auditor utilizes the pdNickname database from Peacock Data, Inc. as well as publicly available

lists of names and nicknames to identify matching First Names where a nickname is used on one or both sides of the match.

- b. Initial instead of full First Name: "J FOX" and "JAMES FOX."
- c. "Metaphone" (a recognized and accepted phonetic name matching algorithm created by Lawrence Philips and originally published in 1990): "BUDDY" and "BUDDIE."
- d. Data entry mistakes with a maximum difference of one character for a First Name at least five characters in length: "HARRIETTA" and "HARRIETA."
- e. First Name is provided together with Last Name in a "Full Name" format and First Name and Last Name cannot be reliably distinguished from one another: "ROBERT JOSEPH," both "JOSEPH ROBERT" and "ROBERT JOSEPH."
- f. Use of interchanged First Name and "Middle Name": "ALBERT E GILBERT" and "EARL A GILBERT."
- g. Compound First Name: "SARAH JANE" and "SARAH," or "MARY ANN" and "MARY."
- h. Use of "MRS." + "HUSBAND'S First Name + Last Name:" "MRS DAVID KOOPER" and "BERTHA KOOPER" where the Date of Birth and Social Security Number match exactly and the Last Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.

2. A "Last Name" fuzzy match includes one or more of the following:

- a. "Anglicized" forms of last names: "MACDONALD" and "MCDONALD."
- b. Compound last name: "SMITH" and "SMITH-JONES."
- c. Blank spaces in last name: "VON HAUSEN" and "VONHAUSEN."
- d. "Metaphone" (a recognized and accepted phonetic name matching algorithm created by Lawrence Philips and originally published in 1990): "GONZALEZ" and "GONZALES."
- e. First Name is provided together with Last Name in a "Full Name" format and First Name and Last Name cannot be reliably distinguished from one another: "ROBERT JOSEPH," both "JOSEPH ROBERT" and "ROBERT JOSEPH."
- f. Use of apostrophe or other punctuation characters in Last Name: "O'NEAL" and "ONEAL."
- g. Data entry mistakes with a maximum difference of one character for Last Name: "MACHIARELLI" and "MACHIAVELI."
- h. Last Name Cut-off. A match will be considered to have been made where due to the length of the Last Name, some of the last letters were not saved in the database: "Brezzinnows" and "Brezzinnowski" and "Tohightower" and "Tohightowers."
- i. Married Female Last Name Variations: A fuzzy Last Name match will be considered to have been made even though the data does not match on the Last Name of a female if the Date of Birth and Social Security Number match exactly and the First Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.

3. A "Date Of Birth" fuzzy match includes one of the following:
- a. Two dates with a maximum of 1 digit in difference: "03/27/1945" and "03/27/1946."
 - i. NOTE: "03/27/1949" and "03/27/1950" are not a match under Rule 3(a).
 - ii. Only 1 entry mistake per full date is allowable: "03/27/1945" and "03/28/1946" are not a match under Rule 3(a).
 - b. Transposition of month and day portion of the Date of Birth: "05/11/1935" and "11/05/1935."
 - c. If either Company's systems or the DMF does not contain a complete Date of Birth, then a Date of Birth exact match will be found to exist where the data that is available on Company's systems does not conflict with the data contained in the DMF. By way of example, if Company's systems only contain a month and year of birth, an exact Date of Birth match will exist if the DMF record contains the same month and year of birth.
 - d. If the Company provided First and Last Name match, either exactly or in accordance with the Fuzzy Match Criteria listed herein, and the Company provided Social Security Number matches exactly against the DMF, then the Date of Birth will be a fuzzy match if the Company provided Date of Birth is within 2 years either before or after the DMF listed Date of Birth.
 - e. If the Company provided First and Last Name match exactly and there is an inaccurate, missing or incomplete Social Security Number, a match will be considered made if:
 - i. The Company supplied Date of Birth is a default Date of Birth (e.g., 01/01/1915) and the DMF year of birth is either an exact match or the DMF Date of Birth is within 1 year either before or after the Company provided Date of Birth (e.g., 01/01/1915 & 02/25/1915 or 01/01/1915 & 02/25/1916);
 - ii. The Company supplied Date of Birth matches exactly with the DMF month and day of birth and the DMF year of birth is within 5 years either before or after the Company supplied Date of Birth (e.g., 02/25/1915 & 02/25/1913 or 02/25/1915 & 02/25/1916);
 - iii. The Company supplied Date of Birth matches exactly with the DMF month and year and the DMF day of birth is not a match (e.g., 02/25/1915 & 02/15/1915 or 02/25/1915 & 02/7/1915); or
 - iv. The DMF Date of Birth is within 5 years either before or after the Company supplied Date of Birth and a search of that individual's First and Last Name and Social Security Number (listed on the DMF) in Accurint for Insurance or an equivalent database results in an address matching an Company address for that policy, contract or account.

4. A "Social Security Number" fuzzy match includes one of the following:

- a. Two Social Security Numbers with a maximum of 2 digits in difference, any number position: “123456789” and “123466781.”
- b. Two consecutive numbers are transposed: “123456789” and “123457689.”
- c. If a Social Security Number is less than 9 digits in length (with a minimum of 7 digits) and is entirely embedded within the other Social Security Number: “1234567” and “0123456789.”

Reports of Matches

Auditor shall only include Category 1 Matches, Category 2 Matches, and Category 3 Matches in a UPR upon verifying that it believes a benefit may be payable based upon the data that Auditor was provided.

Other Matches and Mismatches

Notwithstanding the fact that a life insurance policy (including a group life insurance certificate issued thereunder), Annuity Contract, or retained asset account is listed as a match, the Parties agree that there will not be a reportable match if Company is able to produce evidence sufficient to establish that the unique biological individual identified on Company’s data is not the same as a unique biological individual identified on the DMF or such individual is not dead. Additionally, notwithstanding the fact that a policy (including a group life insurance certificate issued thereunder), Annuity Contract, or retained asset account is not found to be a match in accordance with the foregoing rules, Auditor may submit, in a separate report to be provided concurrently with the provision of Auditor’s next due UPR, evidence sufficient to establish that a unique biological individual identified on Company’s data is the same as a unique biological individual identified on the DMF. Once a match is submitted by Auditor pursuant to the preceding sentence, no other such matches shall be submitted for the individual so identified. In the event that Company and Auditor are unable to resolve any disputes related to what constitutes a reportable match, such disputes shall be subject to the dispute resolution provisions of the Agreement set forth in **Schedule D**. Auditor and Company agree to meet in order to evaluate whether the matching process is producing satisfactory data. If the matching process is not producing satisfactory data (i.e., a large number of false positives are reported based on the current criteria), Auditor and Company agree to use best efforts to develop new criteria for Auditor’s identification of matches.

REPORTING AND REMITTANCE PROCEDURES

All Missing Data Life Policy UPRs and UPRs shall be subject to the following process for reviewing, resolving disputes, and reporting and remitting Proceeds due to a Signatory State under the terms of the Agreement:

I. ISSUANCE AND EXAMINATION OF MISSING DATA LIFE POLICY UPRs (ONLY IF COMPANY HAS MISSING DATA LIFE POLICIES)

A. Issuance of Missing Data Life Policy UPRs

For each Missing Data Life Policy, the Company shall send one letter to the policy owner at the policy owner's last address as recorded on the Company's electronic administrative systems for that policy, provided, however, that no letter shall be sent if there is no address, a known bad address or a bad address indicator for the policy on such systems. The mailing of such letters will commence within thirty (30) days² of the date it is determined under the Agreement that Missing Data Life Policies will be processed under this Section. The mailings may be made in stages in order to accommodate the volume of mailings, provided that (i) all Missing Data Life Policies in fully paid up status shall be issued prior to any mailings for Missing Data Life Policies in other statuses, and (ii) all mailings to be made pursuant to this provision shall be sent out within three (3) months of the initial mailing.

The Company will have two (2) calendar months from the date the letter is mailed within which to make confirmed contact with an owner, Beneficiary, or the legal representative of a Beneficiary. For the purposes of this subsection, "confirmed contact" means the Company has made contact with an owner, Beneficiary or a Beneficiary's legal representative, and has begun to collect the documentation and information necessary to process any claim associated with the policy.

In the event that confirmed contact is not made with the owner, Beneficiary, or the legal representative of a Beneficiary within the allotted two (2) calendar month period, or if there is a known bad address, a bad address indicator or no address on the policy record, the property shall be subject to reporting and remittance pursuant to this Section and Section V. below. If confirmed contact is made with an owner of a policy who is alive, the Company shall make written or electronic notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or e-mail address of the contacted person. If confirmed contact is made with a Beneficiary or the legal representative of a Beneficiary of a deceased insured, the Company shall pay the Beneficiary within two (2) calendar months following the end of the calendar month during which the Company makes contact with the Beneficiary or the Beneficiary's legal

² Except as otherwise specified, all references in this **Schedule D** to the number of days by which an action is to take place are to be calculated in calendar days. If the last day on which an action is to take place is a Saturday, Sunday, or legal holiday, the period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

representative. The Company shall make payment of the claim per the terms of the applicable policy following contact with a Beneficiary or legal representative of a Beneficiary. If at the end of this two (2) calendar month period the Company has not paid the claim, the Proceeds shall be subject to reporting and remittance to the appropriate Signatory State in accordance with this Section and Section V. below.

On the first day of each calendar month following the date it is determined under the Agreement that Missing Data Life Policies will be processed under this Section, the Company will submit Missing Data Life Policy UPRs to Auditor identifying Missing Data Life Policies for which the Company has determined that the Proceeds are to be remitted to a Signatory State under the terms of this Section of **Schedule D**. Each Missing Data Life Policy UPR will be delivered in the format described in **Schedule C**. In addition, the Company shall provide Auditor with the methodology used to calculate Proceeds due to be remitted, as well as access to the physical documentation if any (e.g., calculation worksheets) and/or digital files that are created or edited during the death benefit calculation, for escheatable policies identified on Missing Data Life Policy UPRs. Such documentation shall include a breakdown of all charges or additions to the account, including but not limited to loans, premiums, service fees, interest, and dividends.

Within five (5) business days following the first day of each month after commencement of the due diligence mailings, the Company shall provide Auditor with a list of all Missing Data Life Policies that it has paid out or is maintaining in-force as a result of the due diligence process, and all policies for which confirmed contact with a Beneficiary or a Beneficiary's legal representative has been made but the Proceeds remain to be paid out. Auditor may perform audit techniques to confirm that the Company is appropriately maintaining in-force policies or has fully paid the Proceeds to the Beneficiaries following the due diligence process.

B. Examination of Missing Data Life Policy UPRs

Following its receipt of each Missing Data Life Policy UPR, Auditor shall perform audit procedures to confirm: (i) the accuracy and completeness of all reported information; (ii) that the Proceeds have been identified to be remitted to the proper Signatory State; and (iii) that the amount of the Proceeds to be remitted has been properly calculated. Once Auditor has completed its audit procedures in connection with each Missing Data Life Policy UPR (or a portion thereof), it shall return the Missing Data Life Policy UPR (or a portion thereof) to the Company with any modifications or amendments it has determined are necessary. All property for which Auditor has made no modifications or amendments on the Missing Data Life Policy UPR shall be subject to the procedures for reporting and remittance to the appropriate Signatory State in accordance with Section V. below.

The Company shall have up to twenty (20) days to review any modifications or amendments made to each Missing Data Life Policy UPR and notify Auditor of any disputes it has with any such modifications or amendments. Auditor and the Company shall meet in good faith to resolve any such disputes within twenty (20) days of receipt of notification. All property that the Company agrees is due to be remitted following its review of modifications or amendments made to a Missing Data Life Policy UPR or reconciliation of any disputes shall then be subject to the procedures for reporting and remittance to the appropriate Signatory State in accordance with Section V. below. All disputes that remain unreconciled twenty (20) days after the Company and

Auditor first meet to discuss each Missing Data Life Policy UPR may be referred by either the Company or Auditor to the dispute resolution process described in Section 3.E. of the Agreement.

II. ISSUANCE OF UNCLAIMED PROPERTY REPORTS

Separate UPRs shall be issued for: (i) Proceeds payable under life insurance policies upon an event of death or upon reaching the policy Maturity Age (the "Life Insurance Reports"); (ii) Proceeds payable under group life certificates upon an event of death or upon reaching Maturity Age (the "Group Life Insurance Reports"); (iii) Proceeds payable under Annuity Contracts upon an event of death or upon reaching the Maturity Date (the "Annuity Reports"); and (iv) unclaimed Proceeds in dormant retained asset accounts or where the retained asset account owner is deceased (the "Retained Asset Account Reports").

The first set of UPRs shall be issued on the first day of the calendar month after the Effective Date of the Agreement and shall identify (i) Proceeds in the Company's unclaimed property system for which Auditor has completed its review as of the time this first set of UPRs is issued, and (ii) Proceeds which are not in the Company's unclaimed property system but for which the Company has conducted internal procedures to locate beneficiaries for no less than the amount of time set forth in Section IV.A.1(ii) below as of the submission of the UPR but has not been able to locate or pay the beneficiary. Thereafter, on the first day of each subsequent calendar month, Auditor may submit UPRs identifying (i) Proceeds of any life insurance policies, Annuity Contracts, or retained asset accounts identified on any list supplied to Auditor in accordance with Section 4(ii) of the Agreement that Auditor has determined meet the conditions for escheatment under the terms of the Agreement, as well as (ii) any Proceeds in the Company's unclaimed property system not included on the first set of UPRs.

In addition to the foregoing, the Company and Auditor shall meet in good faith to establish a timetable for the submission of additional UPRs, subject to the following understandings:

(i) Auditor shall deliver a new Life Insurance Report, Group Life Insurance Report, Annuity Report, and Retained Asset Account Report identifying other Proceeds, if any, on the first day of every calendar month beginning no later than ninety (90) days following the Effective Date of the Agreement or receipt of complete and functional data from the Company, whichever is later.

(ii) With the exception of the report and remittance of some Missing Data Life Policies (where applicable), it is contemplated that the Audit will be completed no later than 24 months from submission of the first set of UPRs, subject to data-related issues and/or receipt of necessary information from the Company.

The UPRs shall identify only one unique individual per certificate, contract, policy or account. In the event that the procedures set forth in **Schedule B** result in more than one individual being identified as a possible insured, annuitant, Annuity Contract owner, or retained asset account owner, the UPR shall identify only that unique biological individual identified using the data with the most exact matching criteria which is most likely to be the individual identified on Company's data, as determined using the matching procedures of **Schedule B**. Once a match is submitted by Auditor, no other matches shall be submitted for that certificate, contract, policy or account unless

it is based on additional information that is received from Company or information uncovered by Company as a result of Company's UPR review.

III. REVIEW AND RECONCILIATION OF UNCLAIMED PROPERTY REPORTS

A. Review of Unclaimed Property Report

Company shall have thirty (30) days to review each UPR in order to identify all Proceeds that it agrees are subject to escheatment as well as any exceptions it may have to an UPR, provided, however, that Company shall have forty-five (45) days to review each Group Life Insurance Report. Within five (5) business days following the thirty (30) day review period for each UPR, or within five (5) business days following the forty-five (45) day review period for Group Life insurance reports, it shall provide Auditor with a list identifying: (i) all Proceeds that it agrees are subject to escheatment in accordance with Sections IV and V below; and (ii) the exceptions for Proceeds that Company has determined do not meet the criteria for escheatment, together with the specific reasons for its determinations. Where the grounds for the exceptions are based on documents or data that have not been previously provided to Auditor, Company shall provide such data or documentation within a reasonable time period following the response to the UPR, not to exceed ten (10) days.

B. Review and Reconciliation of List of Exceptions

Within twenty (20) days after Company has provided Auditor with its list of exceptions, Auditor shall determine whether it disputes any exception contained in Company's list of exceptions.

If Auditor disputes an exception to an UPR, then Auditor and Company shall meet in good faith to resolve the dispute within twenty (20) days after Auditor notifies Company of its intent to dispute any listed exceptions. All property that Company agrees is due to be escheated following reconciliation shall then be subject to applicable post-reconciliation processes described in Sections IV and V below. All exceptions that remain unreconciled twenty (20) days after Company and Auditor first meet to discuss each UPR may be referred by either Company or Auditor for the dispute resolution process described in Section 3.E of the Agreement. At the conclusion of the Audit (or in accordance with any instructions provided to Auditor by a Signatory State), Auditor shall provide notice to a Signatory State of all exceptions Company has taken to an UPR and as to which Auditor has agreed that no Proceeds are payable.

IV. POST-RECONCILIATION PROCESSING FOR PROCEEDS IDENTIFIED ON UPRs TO BE REMITTED TO SIGNATORY STATES

Company agrees that all Proceeds identified on a UPR that are due to be reported and remitted to one of the Signatory States pursuant to Section III shall be subject to the following due diligence.

A. Due Diligence

1. Due Diligence for Property Due: (a) Upon An Event of Death Under Life Insurance Policies (including Group Life Insurance Certificates Issued Thereunder), Annuity Contracts, or Retained Asset Accounts; (b) Upon Life Insurance Policies Reaching Maturity Age; and (c) Under Retained Asset Accounts, but Excluding Property Due (a) Under Variable Life Insurance Policies (including group life insurance certificates issued thereunder) and Variable Annuity Contracts and (b) Upon an Endowment Policy With a Maturity Age of 75 or Less Reaching Maturity Age

i. Proceeds due under life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts where: (a) the Company has performed due diligence for no less than the amount of time set forth in Subsection (ii) below and the property is already in the Company's unclaimed property system; (b) the Company does not have a last known address for the Beneficiary; or (c) the Company has made efforts to locate the Beneficiary subsequent to the initiation of the Audit for no less than the amount of time set forth in Subsection (ii) below but has not been able to locate or pay the beneficiary.

All Proceeds within this category where the property is already in the Company's unclaimed property system shall be immediately subject to reporting and remittance to the appropriate Signatory State in accordance with Sections IV.B and V below.

All Proceeds within this category where the Company does not have a last known address for the Beneficiary immediately shall be subject to the procedures for reporting and remittance to the appropriate Signatory State in accordance with Sections IV.B and V below after allowing ten (10) days for the Company to calculate the amounts due under each policy, contract or account. Company shall be deemed to have no last known address for a Beneficiary where, according to the Company's books and records: (a) there is no last known address for the Beneficiary, insured, owner and retained asset account owner; or (b) there is a bad address indicator on the policy, contract or account record for all last known addresses for all of the foregoing.

For Proceeds within this category where the Company made efforts to locate the Beneficiary subsequent to the initiation of the Audit but has not been able to locate or pay the Beneficiary, Company shall be deemed to have already conducted reasonable due diligence based on the previous searches it has conducted. For Proceeds within this category Company may elect to write one letter and send one email to the Beneficiary based on information contained in the Company's files for that life insurance policy, Annuity Contract or retained asset account, but all property within this category immediately upon execution of this Agreement shall be subject to the procedures for reporting and remittance to the appropriate Signatory State in accordance with Sections IV.B and V below after allowing ten (10) days for the Company to calculate the amounts payable under each life insurance policy, Annuity Contract or retained asset account.

In no event may property under this subsection be excluded from reporting and remittance pursuant to Sections IV.B and V below unless Company has made confirmed contact with a

Beneficiary, or the legal or properly designated representative of a Beneficiary prior to the termination of the reporting and remittance process after which no further changes will be made to the report. For the purposes of this subsection, "confirmed contact" means Company has made contact with a Beneficiary, or a Beneficiary's legal or properly designated representative, and has begun to collect the documentation and information necessary to process the claim. Thereafter, Company shall pay the Beneficiary within two (2) calendar months following the end of the calendar month during which Company makes contact with the Beneficiary or the Beneficiary's legal or properly designated representative. Company shall make payment of the claim per the terms of the applicable life insurance policy, Annuity Contract or retained asset account following contact with a Beneficiary, or the legal or properly designated representative of a Beneficiary. If at the end of this two (2) calendar month period Company has not paid the claim, the Proceeds shall be subject to reporting and remittance to the appropriate Signatory State in accordance with Sections IV.B and V below.

If Company makes confirmed contact with the Beneficiary or the Beneficiary's legal or properly designated representative but is unable to pay the Proceeds within the two (2) calendar month period following confirmed contact, Proceeds shall be reported and remitted based on the last known address on Company's books and records, as of the time it receives the UPR, for the Beneficiary, or the last known address of the insured or annuitant if there is no last known address for the Beneficiary.

ii. Proceeds due under life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts that do not fall within Subsection (i) above.

Except as set forth below, there is no limitation on the amount or means of outreach Company may conduct to contact the Beneficiary for Proceeds within this category. Company will have a two (2) calendar month due diligence period to make confirmed contact with a Beneficiary or confirmed contact with the legal or properly designated representative of a Beneficiary, commencing at the end of the calendar month during which Company has confirmed that the property is subject to escheatment under Section III.A. For purposes of this subsection, "confirmed contact" means Company has made contact with a Beneficiary or a Beneficiary's legal or properly designated representative, and has begun to collect the documentation and information necessary to process the claim. If Company has not made confirmed contact by the end of the two (2) calendar month due diligence period, the Proceeds shall be subject to the procedures for reporting and remittance to the appropriate Signatory State in accordance with Sections IV.B and V below. If Company has made confirmed contact within the two (2) calendar month due diligence period, Company shall pay the Beneficiary within two (2) calendar months from the expiration of the due diligence period. If at the end of this second two (2) calendar month period Company has not paid the claim, the Proceeds shall be subject to the procedures for reporting and remittance to the appropriate Signatory State in accordance with Sections IV.B and V below. Company shall make payment of the claim per the terms of the applicable life insurance policy, Annuity Contract or retained asset account following contact with a Beneficiary, or the legal or properly designated representative of a Beneficiary.

If Company does not make confirmed contact with the Beneficiary or the Beneficiary's legal or properly designated representative by the end of the two (2) calendar month due diligence period, or pay the Proceeds within the two (2) calendar month period following confirmed contact, Proceeds shall be reported and remitted based on the last known address on Company's books and records, as of the time it receives the UPR, for the Beneficiary, or the last known address of the insured or annuitant or account holder if there is no last known address for the Beneficiary.

2. Due Diligence for Property Due: (a) Upon Annuity Contracts Reaching the Maturity Date; (b) Under Variable Life Insurance Policies (including Group Life Insurance Certificates Issued Thereunder) and Variable Annuity Contracts; and (c) Upon an Endowment Policy With a Maturity Age of 75 or Less Reaching Maturity Age

Company shall send one or more notification letters to, and may otherwise attempt to notify, the Beneficiary. If there is no response to a notification letter within 180 days (six months) after the initial notification letter is sent and the property is not paid to the Beneficiary in accordance with the terms of the Agreement, the property shall be subject to the reporting and remittance process described in Sections IV.B and V below.

At least one letter shall be sent to the last known address on Company's books and records, as of the time it receives the UPR, for the Beneficiary. If at any time prior to the expiration of the 180 day period described above, Company determines that the Beneficiary cannot be located, the property shall be subject to the reporting and remittance process described in Sections IV.B and V below.

B. Reporting of Results of Due Diligence for UPRs

Within five (5) business days following the end of each calendar month, Company shall provide Auditor with a list of all property that it has paid out as a result of the due diligence process, all property for which confirmed contact with a Beneficiary or a Beneficiary's legal or properly designated representative has been made but the property remains to be paid out, and all property that is to be remitted to a Signatory State. Auditor may perform appropriate audit techniques to confirm that Company fully paid the Proceeds to the Beneficiary following the due diligence process.

Company shall provide Auditor with the methodology used to calculate Proceeds due to be remitted, as well as access to the physical documentation (e.g., calculation worksheets) and/or digital files that are created or edited during the death benefit or maturity calculation for each escheatable policy, contract, and account. Such documentation shall include access to all post date of death debit/charges or additions to the account, including but not limited to loans, premiums, service fees, interest, dividends, etc. Auditor may test a reasonable percentage of such Proceeds to ensure that the correct calculations have been made. Any disputes regarding the amount of benefits due shall be subject to the same reconciliation and resolution process described in Section III above.

V. REPORT AND DELIVERY PROTOCOL FOR PAYMENT OF PROCEEDS TO A SIGNATORY STATE

Records of Property to be escheated will be generated on the last day of the calendar month: (a) in which the one calendar month review period for property in the Company's unclaimed property system ends; (b) in which the due diligence period ends; (c) in which the valuation period provided for in Section IV.A.1(i) ends if it is determined that no due diligence is required with respect to the Proceeds; or (d) in which the processing of Missing Data Life Policy UPRs described in Section I. above is completed. Payment of all Proceeds to be reported and remitted shall be delivered as of the 10th day of the following month.

Company agrees that all Proceeds to be reported and remitted to a Signatory State pursuant to this Agreement shall be reported by Company to a Signatory State with a notation indicating that the report is made pursuant to the Audit, and shall be remitted by Company to the Signatory State either through Auditor or in accordance with Auditor's instructions. Further, Company agrees that it shall provide to Auditor a copy of all such reports and remittances. Company further agrees that no Proceeds to be reported and remitted to a Signatory State pursuant to this Agreement shall be included in any annual filings or any supplemental filings made by Company to the Signatory States. Nothing in this Agreement, however, shall prohibit Company from identifying and remitting Proceeds to a Beneficiary if permitted or required by a Signatory State's UP Laws. At such time as the Company provides notice of remittance to a Beneficiary under a Signatory State's UP Laws, the Company shall provide a copy of the notice of remittance to Auditor. The Signatory State and Auditor shall have access to all relevant records documenting the identification of the Beneficiary and the remittance of Proceeds pursuant to this Section.

Auditor and Company mutually agree to deliver all notices and reports required under the Agreement according to the following protocols.

Reports provided to Company shall be delivered in electronic, encrypted, password protected, unlocked (to permit sorting) Excel format (or such other format as Auditor and Company mutually agree in writing) to [Company contact]. Company may designate in writing to Auditor one or more persons to receive such reports instead of [Company contact].

Reports provided to Auditor shall be delivered in electronic, encrypted, password protected, unlocked (to permit sorting) Excel format (or such other format as Auditor and Company mutually agree in writing) to Mr. Steven Haley, at shaley@verusfinancial.com.

Where Auditor is to provide notice to a Signatory State under Section 3.E of the Agreement or this **Schedule D**, the date of notice is the date on which notice is sent by Auditor. Where a Signatory State is to provide notice or a report to Company under Section 3.E of the Agreement or this **Schedule D**, the date of notice is the date on which notice is sent by the Signatory State to Company.

Report delivery protocol questions, issues, concerns, or disputes shall, in the first instance, be addressed to [contact], of Company, or Mr. Steven Haley, of Auditor, for resolution.

SCHEDULE E

NON-DISCLOSURE AGREEMENT DATED AUGUST 13, 2010

NONDISCLOSURE AGREEMENT

This Nondisclosure Agreement ("Agreement") is entered into by and between Verus Financial LLC ("Recipient"), Independence Life and Annuity Company, Professional Insurance Company, the United States branch of Sun Life Assurance Company of Canada, and Sun Life Assurance Company of Canada (U.S.), (collectively, "Sun Life"). This Agreement shall be effective once executed by authorized representatives of Sun Life and the Recipient. The "Effective Date" of this Agreement will be the later of the dates of execution if Sun Life and Recipient execute on different dates.

In connection with an unclaimed property audit and examination (collectively "Examination") of Sun Life being conducted by the Recipient on behalf of the participating states as defined by and limited to the specific authorizations provided by those states included on Exhibit A to this agreement, Sun Life will be disclosing to the Recipient certain information about Sun Life's customers which may include confidential, non public personal health and/or financial information under applicable state and federal laws and regulations and to the extent applicable Protected Health Information as that term is defined in the Health Insurance Portability and Accountability Act of 1996 and enabling regulations as amended ("HIPAA"); additionally, Sun Life may disclose to the Recipient information which is confidential, trade secret and otherwise proprietary to Sun Life. The foregoing shall not be construed to preclude Recipient from representing other state unclaimed property agencies or departments or other regulatory agencies that have or may retain Recipient to conduct examinations of Sun Life after the Effective Date of this Agreement. Additionally, Sun Life may from time to time agree in its sole discretion that additional states may participate in the current Examination. In order to participate after the Effective Date of this Agreement, Sun Life must receive notice from the state, and agree in writing to the addition of the state. The Recipient will then provide an updated Exhibit A reflecting the participating states, which must be acknowledged by both Sun Life and the Recipient. To the extent that any of the information that may be required to be disclosed in connection with any such examination may overlap with the information disclosed in this Examination, Recipient shall not be precluded from requesting, receiving or using such information by virtue of Recipient having entered into this Agreement. In consideration of Sun Life's disclosures of said information to the Recipient, Recipient agrees as follows:

1. Information. As used in this Agreement, Information means any information disclosed by Sun Life in connection with the parties' furtherance of the purpose identified above (including, without limitation, books, records, documents, software, electronic files and databases, audited and interim financial statements, general ledgers and journals, internal and external audit reports and opinions, unclaimed property reports and Securities and Exchange Commission reports, National Association of Insurance Commissioners reports, and federal and state tax returns), whether disclosed orally, in writing, or in some other form. The information described above is provided for illustrative purposes only. Nothing in this Agreement shall be construed as an acknowledgement that any particular documents exist or will be made available for the Recipient. Notwithstanding the foregoing, Information does not include any information, however designated, that (i) was in the public domain before it was disclosed to the Recipient; (ii) enters the public domain after the Effective Date other than through a breach of this Agreement; (iii) is or has been disclosed to the Recipient by a third party which does not owe a duty of confidentiality to Sun Life; or (iv) was developed independently by the Recipient without use of Information in violation of this Agreement. Information will not be deemed to have been developed independently if, after the Effective Date of this Agreement, the Recipient accesses such Information by utilizing Freedom of Information Act requests to obtain information which was provided to the Recipient's client states in the Recipient's workpapers.

2. Restrictions on Disclosure and Use. The Recipient will (a) disclose Information only to the appropriate personnel at the client states and the Recipient's employees, agents and representatives who have a need to know it for the purpose specified above and who, by virtue of a written confidentiality agreement or other legally binding, regulatory or statutory prohibition, are obligated to respect the confidentiality of the Information, provided that said agents and representatives are identified to Sun Life prior to disclosure of any Information, and that said agents or representatives have executed a copy of this Nondisclosure Agreement; (b) use commercially reasonable efforts to maintain the confidentiality of the information, but in no event less than those efforts the Recipient uses to maintain the confidentiality of its own information of a similar nature; (c) use the Information solely for the purpose described above; (d) not use the Information in

any manner which is adverse to Sun Life, including, without limitation, the representation of any third party in any legal, regulatory or other action against Sun Life that involves, or is related to the Information, beyond findings made in connection with the unclaimed property examination or any other authorized examination being conducted by Verus; and (e) not benefit from a third party's use of the Information. The foregoing shall not be construed to preclude Recipient from representing state agencies that have or may retain Recipient to conduct examinations of Sun Life that may call for disclosure of some of the same information under this Agreement. To the extent that any of the information that may be required to be disclosed in connection with any such examination may overlap with the information disclosed in this Examination, Recipient shall not be precluded from requesting, receiving or using such information by virtue of Recipient having entered into this Agreement.

3. Compelled Disclosure. If the Recipient is served with a judicial or other governmental order seeking production of the information, it will (a) use reasonable efforts to assure that the information is maintained in confidence, and (b) notify Sun Life of the existence of the order as soon as possible prior to production of any information and cooperate with Sun Life in its efforts to obtain a protective order or other judicial relief.

4. Accidental Disclosure. The Recipient will promptly notify Sun Life upon discovery of any accidental or unauthorized use or disclosure of any Information and will cooperate with Sun Life to regain control of or otherwise safeguard the information, to minimize the effects of its unauthorized use or disclosure, and to prevent its further unauthorized use or disclosure. The Recipient agrees that it is solely responsible for the consequences of any data breach that occurs while the information is in the possession of Recipient or any employee, agent or representative of the Recipient who is in possession of the information in accordance with paragraph 2, and that the Recipient will indemnify Sun Life for any liabilities resulting from said breach.

5. Ownership. This Agreement does not grant Recipient any license or other right with respect to any information or trade secrets. Notwithstanding the foregoing, nothing in this Agreement shall preclude Recipient or its client states from retaining information contained in its workpapers and reports provided to its client states to the extent required by contract or by law.

6. Remedies. The Recipient acknowledges that Sun Life would suffer irreparable harm if its information were disclosed or used in violation of this Agreement, and that monetary damages would be an insufficient remedy for such unauthorized disclosure or use. Accordingly, in addition to whatever right Sun Life may have to obtain an award of damages or other relief upon the Recipient's breach of this Agreement, or upon the breach of this Agreement by any employee, agent or representative of the Recipient, Sun Life may obtain an injunction or other equitable relief to protect its information disclosed or used in violation of this Agreement. Additionally, should the Recipient, its employee, agent or representative be found to have breached this agreement Recipient acknowledges that it will be required to reimburse Sun Life for reasonable legal fees and costs incurred to enforce the agreement. Recipient may also be required to reimburse Sun Life for reasonable legal fees, costs and damages Sun Life is found to have sustained as a result of the breach.

7. Maintenance of Records. During the course of the Examination, Recipient will safeguard the privacy and security of the information in accordance with applicable state and federal laws and regulations, including but not limited to, the requirements of Massachusetts regulation 201 CMR 17 (Standards for the Protection of Personal Information of Residents of the Commonwealth) and 45 CFR Parts 160 and 164 as amended (HIPAA privacy and security standards) and other regulations currently or hereafter in effect which implement privacy and security standards under applicable state and federal law. Upon the conclusion of the Examination, Recipient will return all information to Sun Life, or certify its destruction of same. To the extent that Recipient is required to maintain said information after the conclusion of the Examination pursuant to any statute or contract with a participating state, Recipient will identify the specific limitation on its ability to comply with this section, identify the time period during which specific information must be held, and will specifically warrant that its obligations under this Agreement will survive after the conclusion of the Examination, until the conclusion of the statutory or contract provision, at which time such information will be returned to Sun Life or destroyed.

8. General. (a) This Agreement will be binding upon and inure to the benefit of each party's heirs, successors and permitted assigns; provided, however, that the Recipient may not assign this Agreement (whether by operation of law, sale of securities or assets, merger, or otherwise) or transfer any information to

parties other than those identified in Section 2(a) without Sun Life's prior written consent. Said consent will be given at Sun Life's sole discretion. Any attempted assignment in violation of this section will be void. (b) The Recipient will comply with all local, state, national and international laws and regulations applicable to disclosure or use of all information. (c) This Agreement will be governed by the laws of the State of Massachusetts, without regard to its choice of law principles. The Recipient consents to the exclusive jurisdiction of the state and federal courts of the State of Massachusetts for resolution of any dispute arising under or related to this Agreement, and waive all objections to placing venue before them. The prevailing party in any litigation arising under or related to this Agreement may be entitled to recover its reasonable attorneys' fees and costs from the other party. (d) Notwithstanding the foregoing, nothing in this Agreement shall be construed to be binding on any of the states participating in an authorized audit being conducted by Recipient. (e) If any provision of this Agreement is held to be illegal, invalid or unenforceable, the remaining provisions will remain in full force and effect. (f) Any notice required under this Agreement will be in writing and will be sent by registered or certified mail, return receipt requested, or express courier (e.g., Federal Express) to the recipient at its address indicated above. If sent domestically, a notice will be deemed given three (3) business days after sent by registered or certified mail or one (1) business day after sent by express courier. If sent internationally, a notice will be deemed given five (5) business days after sent by registered or certified mail or three (3) business days after sent by express courier. Either party may change its address for notices under this Agreement by giving the other party notice of the change in the manner just specified. (g) This Agreement may be modified only by a written amendment signed by both parties. Any waiver of a party's rights under this Agreement must be in a writing signed by one of its authorized agents. A waiver on one occasion will not obligate the waiving party to waive its rights on another occasion. (h) This Agreement, along with the Recipient's certification regarding its compliance with applicable state and federal privacy and security laws and regulations as described herein, constitute the entire agreement between the parties with respect to its subject matter, and it supersedes all prior communications, understandings and agreements related to its subject matter.
