RE: 2024 STATE DISABILITY INSURANCE RATES

The Employment Development Department (EDD) published the revised State Disability Insurance (SDI) rates for 2024. The withholding rate increased to 1.1% of eligible earnings in 2024. Effective January 1, 2024, Senate Bill 951 eliminated the annual taxable wage limit and maximum contribution. This means employees subject to SDI contributions will pay CA SDI tax on **all** taxable wages. These changes will take effect beginning with payments issued on January 1, 2024. The 2024 SDI Rates can be accessed at the Employment Development Department's website Contribution Rates, Withholding Schedules, and Meals and Lodging Values (ca.gov).   Revisions to the Payroll Procedures Manual (PPM) Sections E803 and N171 are forthcoming.
