PERSONNEL LETTER #24-003

TO: All Agencies/Campuses in the Uniform State Payroll System

FROM: Lisa Dean, Acting Chief
Personnel and Payroll Services Division**RE: CHANGES TO FEDERAL TAX WITHHOLDING RATES FOR NONRESIDENT ALIEN**

The State Controller's Office (SCO) updated the additional amount to nonresident alien employee's federal taxable wages for payroll calculation purposes. For specific information regarding this change, please refer to IRS Publication 15-T (Rev. December 19, 2023), [2024 Publication 15-T \(irs.gov\)](#).

The Internal Revenue Service (IRS) has rules to determine the federal tax withholding on wages paid to employees designated as nonresident aliens (NRA). Employees subject to the IRS NRA regulation will have their federal tax withholdings recalculated using a "look-back" method. Specifically, payments for NRA employees will be issued using the standard tax tables. The federal tax amount withheld on the original payment will be subtracted from the new computed federal tax amount. The difference will be applied to the employee's next regular payment via a one-time federal (code 099) deduction. For additional information, please refer to the [Nonresident Alien Federal Tax Withholding Procedures FAQs](#).

Effective January 1, 2024, the amount added to **NRA** employee's wages for calculating federal income tax withholding only are:

Table 1 is used if the NRA was first paid wages before 2020 and **has not** submitted a [STD. 686](#), Employee Action Request (EAR) form or a [STD. 457](#), Student Payroll Action Request (SPAR) form for 2020 or later, add the amount shown in Table 1 to their wages for calculating federal income tax withholding.
