

CONFLICT-OF-INTEREST CODE FOR THE CALIFORNIA UNIFORM CONSTRUCTION COST ACCOUNTING COMMISSION

The Political Reform Act (Government Code Section 8100, et seq.) requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Sec 18730) which contains the terms of a standard conflict-of-interest code, which can be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices, designating officials and employees and establishing disclosure categories, shall constitute the conflict-of-interest code of the California Uniform Construction Cost Accounting Commission (Commission).

Individuals holding designated positions shall file statements of economic interest with the Agency, which will make the statements available for public inspection and reproduction. Upon receipt of the statements of Commissioners, the Agency shall make and retain copies and forward the originals of these statements to the Fair Political Commission. (Gov. Code Sec 81008.) All other statements will be retained by the Agency.
