

Ken Howell

Senior Management Auditor

Compliance Audits Bureau

California State Controller's Office

Ken Howell is currently the Mandated Costs Audit Manager in the Compliance Audits Bureau of the California State Controller's Office (SCO), Division of Audits.

During his time with the State Controller's Office, he has both audited and managed mandated cost audits at school districts, local agencies, and community college districts. He has also managed audits in the Court Revenue program. He has worked at SCO for over 17 years. In that time, he has been responsible for audits of nearly 20 different mandated costs programs.

He is a graduate of California State University, Sacramento.
