

# Sandeep Singh, CIA

Manager

Local Government Policy Section

Local Government Programs and  
Services Division

California State Controller's Office

Sandeep Singh is currently the manager of the Local Government Policy Section at the California State Controller's Office. During his time with the State Controller's Office, he has worked with trial courts, legislation, countywide cost allocation plans, and various ad-hoc committees. He has assisted in facilitating the Annual State Controller's Conference with County Auditors and has spoken numerous times in joint presentations with the California Judicial Council regarding the distribution of court revenue.

Mr. Singh has also worked for Stanislaus County as their Internal Audit Manager from 2016 to 2018. During this time, he obtained his Certified Internal Auditor (CIA) designation from the Institute of Internal Auditors.

He is a graduate of California State University at Sacramento with a degree in Accounting. Sandeep likes to play tennis, attend car shows, and spend time with family.
