CALATERS GLOBAL LETTER #13-006

TO: All Agencies Participating in the California Automated Travel Expense
Reimbursement System (CalATERS) - GLOBALFROM: LISA CROWE, Chief
Personnel/Payroll Services Division

RE: NEW LODGING AND PER DIEM RATES FOR PECG

On October 30, 2013, the Department of Human Resources issued PML 2013-037 stating "Effective November 1, 2013, the Department of Human Resources (CalHR) updated lodging and per diem reimbursement rates for official State travel for employees represented by PECG (BU 9)."

While the new rates are available in CalATERS Global, the system has an issue that requires extra attention from users and department accounting offices. **The CalATERS Global system currently does not prevent users from using the new rates for claims in prior fiscal years.** This limitation allows users to enter new lodging and per diem rates for travel in prior fiscal years. We are working with our system vendor on a solution to these issues. Until a solution is implemented, department accounting offices are reminded to audit each expense form, paying extra attention to **prior-year** travel dates and the applicable per diem rates, lodging rate, and the city/county selected.
