

SCO Executive Town Hall

November 7, 2025

Please join the California State Controller's Office (SCO) for a new, in-person, state government executive convening where our business leaders will provide important updates impacting the entire state government enterprise and receive real-time feedback from you, our partners.

Topics will include:

- what each agency and department should expect for **SCO's California State Payroll Project**,
- the next **Annual Comprehensive Financial Report** cycle,
- moving towards **digital payment options**,
- and other timely updates.
