LEAVE ACCOUNTING LETTER #14-012

TO: All Agencies/Campuses in the California Leave Accounting System (CLAS)

FROM: Lisa Crowe, Chief
Personnel/Payroll Services DivisionRE: **ANNUAL PURGE PROCESS**

The annual CLAS Purge Process is scheduled for Saturday, December 13, 2014. This process will delete State Service and Leave Benefit transactions and balances for the year 2009, as well as the entire CLAS history for employees who have been separated/inactive since December 2009. Employees who have been designated as NLSE (Not Leave System Eligible) for more than five years will also be purged. For example, this process will purge employees from the CLAS who have an NLSE effective date prior to January 1, 2010. The effective date and NLSE designation may be found on the P62-Leave System Eligibility Maintenance screen.

The 2009 End Balances will be carried forward to the January 2010 Leave Period and posted as a Purge Balance (for Accrued/Earned benefits) or Purge Total (for Usage Only benefits) transaction. Error messages may be generated and must be reviewed by the agencies/campuses for appropriate action. If the Purge Balance/Total transaction amount is incorrect, void the transaction and post a Begin Balance (code 24) or Begin Total (code 27) transaction for the correct amount.

Purge Balance/Total transactions will not post for:

1. Employees whose PIMS/CSUC Employment History is out-of-service.
2. State Service or Leave Benefits that are out-of-service.
3. Accrued benefits that do not have an active establishment period during the January 2009 leave period.

Agencies and campuses are encouraged to resolve any of the above situations prior to Saturday, December 13, 2014.

NOTE: The last day CLAS users will be able to make retroactive changes to 2009 history will be Friday, December 12, 2014. The CLAS will not be available for update or inquiry on Saturday, December 13, 2014, and Sunday, December 14, 2014.

For questions, or to obtain a hardcopy of the employee's purged history for a fee, please contact the Leave Accounting Liaison at (916) 327-0756.
