EH MASS UPDATE PROCESSING

The State Controller's Office (SCO) will process an Employment History (EH) mass update on January 16, 2019 to post a SAL transaction effective January 1, 2019 for eligible employees. Only employees with a salary rate below the new minimum salary rate for each range and or/step will be updated to increase their salary to the new minimum salary range and/or step; employees already above the new minimum are not entitled to an increase.

SPECIAL EH DOCUMENTATION/PROCESSING INSTRUCTIONS

Disability/Military Leave

Departments must update EH for employees on Disability or Military leave at the time of the mass update.

Lump Sum

Employees who separated from state service without fault prior to the effective date of the salary increase with lump sum pay extending beyond 01/01/19, and who were eligible for the SAL at the time of the separation, should have their lump sum adjusted to reflect the salary increase. Departments must identify and manually process the SAL transactions for separated employees, as applicable.

Out-of-Sequence

Once the SAL transaction is posted to an employee's EH record, any new out-of-sequence transaction must have the old salary rate entered, if allowable on the transaction. If not entered, the salary rate information per the SAL transaction will be reflected on the new transaction and could cause an overpayment. See PAM Section 9 for further processing information.

If correcting a 01/01/19 effective date transaction that was processed prior to the SAL being posted, please send to the Personnel and Payroll Services Division for processing. Per CalHR rule 599.689, MSA transactions with a 01/01/19 effective date must be posted prior to the SAL, if applicable.

330 Transaction

Departments must identify employees who were at MAX prior to the increase (and thus not entitled), and manually process a 330 transaction to change their anniversary date to NONE.

PAYROLL ADJUSTMENTS

Departments shall submit a form STD. 674/674D to request adjustments for the following payments that may issue without the salary increase for the 01/2019 pay period:

- Regular pay with dock applied for employees with a mid-month change.
- Regular pay for employees on an alternate work schedule or working shift and time paid does not equal time possible for the pay period.
- Industrial Disability Leave (IDL)
- Temporary Disability (TD)
- Nonindustrial Disability Leave (NDI)
- State Disability Insurance (SDI)
