

John Chiang
California State Controller
Notice to Holders of Unclaimed Property
U.S. District Court Preliminary Injunction
Effective June 1, 2007

The United States District Court issued a preliminary injunction prohibiting the State Controller's Office from accepting, taking title to, or possession of any property including, but not limited to securities and contents of safe deposit boxes.

Effective immediately and until further notice, the State Controller's Office is enjoined from accepting any unclaimed property from businesses and financial institutions required to remit and deliver such property under the unclaimed property law (Code of Civil Procedure 1500 et seq.). All holders of unclaimed property are instructed to hold any unclaimed property until further notice from the State Controller's Office. This applies to all properties including, but not limited to cash, securities or safe deposit box contents. In addition, holders are not to transfer securities into the name of the Controller.
